

Requests from Miyakojima City  
to everyone.

## Let's strengthen infection control for this holiday season!

### Please Implement basic infection control Procedures.

- If you have a cold or suspect an infection, stay in a private room and avoid contact with people.
- Always wear a mask in public.
- Thoroughly wash and disinfect your hands once you get home, to include before and after meals.
- Maintain 6 feet distance from others.
- Keep rooms and cars well ventilated by slightly opening windows if possible.

### ● For Year-end & New Year parties (including Christmas, Countdown or Coming-of-age ceremony)

- Select shops and restaurants, with appropriate infectious disease control measures.
- Please limit the number of attendees and duration of parties/events.
- Wear a mask when not eating/drinking, holding conversations or while at a karaoke.
- Please drink in moderation and do not share beverages.

### ● Homecoming visitors/Tourists ※Prevent infection to the elderly.

- Please quarantine for 2 weeks before coming to Miyakojima.
- Please limit the duration when visiting relatives or go shopping.
- Please wear a mask when you meet the elderly.
- Please keep family gatherings small or immediate families.

### ● New Year's Eve and New Year's visit to a Shinto shrine

- Worship at the shrine after the third day of the new year.
- Refrain from eating and drinking at the shrine.
- Avoid buying fortunes and amulets in crowds.

## Cooperate with the organizers and shops to prevent infection

In order to prevent the spread of COVID-19 or infections, we ask for your cooperation and please follow recommended guidelines.

Thank you!
